

INTERNET PRESENCE

"We want to set the tone for this campaign and start a conversation by using technology to bring the entire state together. The effective use of technology, creativity and innovation will allow us to streamline government, reduce taxes and bring jobs back to Wisconsin." -- Mark Neumann

Campaign Website

<http://www.MarkForGov.com>

The official website of the Mark Neumann for Governor campaign contains information on Mark Neumann, such as his biography, why he is running for Governor, his position on certain issues, and what others have said about him. Read Mark's blog, view the campaign calendar, read press releases, download flyers, and contact the campaign.
