

## It's Time for Concealed Carry

For far too long, Wisconsinites have been unable to protect themselves. **Governor Doyle and the Democratic leadership don't believe that our citizens should have the right to defend themselves by carrying concealed weapons.**

Do you want to rely on the government for your protection and safety, or would you rather have the means to protect yourself?

Wisconsin is only **ONE of TWO states** in America that bans the carrying of concealed weapons.

In 2003 and 2006, the Republican majority in our State Legislature passed a bill that would allow for concealed carry in Wisconsin. Twice, liberal Democrat Jim Doyle rejected this bill. It seems the Democrats do not care about the will of the people. **It's time for Wisconsin to elect a Governor who shares our values.**

It's time to tell our state government that Wisconsinites deserve the right to protect themselves.
